To ensure access as of April 1, 2016, your subscription must be completed or renewed and fee received no later than Thursday, March 31, 2016. Subscriptions are for the 12-month period from April 1, 2016 to March 31, 2017 and fees are not prorated. Service begins at the time payment is received by the LCBO.

Note regarding tax calculation on packages:

The on-line supply of data represents a supply of intangible personal property (IPP) for GST/HST purposes. Under the Canada Revenue Agency place of supply rules, the place of supply of IPP that has no geographical restriction on use is generally the address of the recipient of the supply. LCBO charges GST or HST on the online supplies at the appropriate rate depending on the address of the customer.

With respect to the administration fee charged to the customer if the subscription information is not received by LCBO within the time specified in the agreement, these charges will be treated as additional consideration for the online supply of data and therefore taxable, the same as the on-line supplies described above.

## New Record Layouts for Sale of Data Files

Effective April 1, 2016

To reflect the new wholesale side of our business, select 2016/17 SOD files will provide additional data for beer shipments to grocers, as follows:

Record layouts for Options 1 through 5 now include two additional fields:

- Shipments from LCBO warehouses to The Beer Store, represented as TBS\_SQTY
- Shipments from LCBO warehouses to Grocers, represented as GRO\_SQTY

Additional data fields have been added *to the end of existing record layouts* to minimize disruption during integration.

There are no changes to record layouts for Options 6 to 9.

Updated record layouts are attached.

Please note:

1. TBS shipments have been parsed out of the 'Other' field (represented as OT\_QTY) in order to obtain a holistic, accurate view of wholesale shipments.
2. Data files for Options 1 through 5 will reflect the additional fields, regardless of package subscribed.

In other words, if the Set/Subset is related to a Beer SKU currently being shipped to TBS or Grocers, the additional columns may be populated with a value.

If the Set/Subset is related to Wines or Spirits, at this time the fields will exist on the record layout with no value.

3. The additional fields will be reflected starting with the 2016/17 subscription files. Files distributed prior will not be updated to reflect the additional fields.

Should you have questions, please send an email to Bradley Bach at [saleofdata@lcbo.com](mailto:saleofdata@lcbo.com)
