Dear Trade Partners:

Effective today, January 21st, 2019, Greg Tanah, Acting Director of Ontario and New World Wines has left the LCBO to pursue an exciting new opportunity in the newly-emerging cannabis industry.

Greg was at the LCBO for 9 years, rising through the organization from his start as an Analyst up to his recent acting role as Director of Ontario & New World Wines. His energy and enthusiasm will be missed by all who worked with him.

Kathy Cannon will assume all responsibilities of Ontario and New World Wines until such time that Marie Cundari returns from maternity leave on March 1st, 2019.

Thank you for your patience and continued support.

Sincerely,

Carolyn O'Grady-Gold
Vice President
Merchandising
