Re: Expanded Product Specifications for the Cooler Product Call NISS# 2134

Dear Trade Partners,

We have expanded the product specifications to the upcoming Product Call (NISS# 2134) for Coolers which have been updated in NISS and in the attached detailed document. The amendment details consideration for shooter format products which are within AGCO guidelines and fit with the LCBO's commitment to social responsibility. The timelines of this tender remain unchanged.

Sincerely,

Stacee Roth
