Re: Staffing Update Brown Spirits October 2015

Dear Trade Partners,

It's with great regret that I inform you that Mikaela Hollidge, Product Manager Brown Spirits and Duty Free has tendered her resignation and her last day will be Friday Oct 23. Mikaela has accepted a position as Merchandise Planning Manager at Follett International in Chicago. We would like to thank her for the contributions she made to the LCBO over the last six months and wish her all the best in the future.

We will be extending the current full-time search for Product Managers in the Spirits category to include this additional opportunity.

Marijke McLean will be on vacation Oct 15 to November 2. Please continue to send communication to Mikaela until Oct 23 but please cc Marijke.

From October 26 to 30 please send any Brown Spirit inquiries to Matthew O'Sullivan and Marijke McLean; we will do our best to answer inquiries as we are able. Angela Van will continue to be the key contact for any administrative questions.

Kind regards,

Marijke McLean
