Dear Trade Partners,

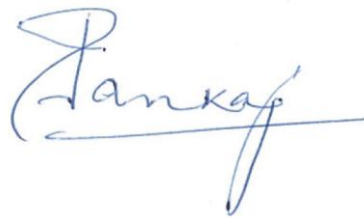

As you know, one of our goals over the past year has been to make the process of entering and managing NISS submissions more efficient. Many of the enhancements we have rolled out came from suggestions put forward by the trade.

We now invite you to give us your feedback on the current system and suggest further refinements or new enhancements.

Please send your feedback and/or suggestions by June 26, 2015 to [merchandising.support@lcbo.com](mailto:merchandising.support@lcbo.com) with 'NISS Enhancements' as the subject line.

Thank you for your continued support.

Sincerely,

Pankaj Kumar Singh  
Manager, Project Services  
Products, Sales and Merchandising
