

**Logistics Traffic Report:**

An update on global situations that may affect product flow.

**Week of:**

- June 18<sup>th</sup>, 2018 – France, Argentina-Brazil, North America

- **France**

**Status:**

  - Rail worker unions continue to stage a series of strike days to the end of June. This affects the ports of Fos Sur Mer and Le Havre. LCBO orders have not been impacted to date.
- **Argentina-Brazil**

**Status:**

  - Trucker strike currently causing delays. We are monitoring the situation with our forwarder and have advised the buyers. 10 containers have been impacted, 7 day delay.
- **North America**

**Status:**

  - United States- continue to experience some delays with shipments due to E-Log implementation and capacity/driver shortages in the industry.
  - Montreal- Montreal Terminals will be closed June 25th for St. Jean Baptiste Day.

This is a general information circular designed to alert members of the trade to global issues which may affect product flow. For detailed information as to the status of particular product shipments please contact your Customer Service Representative (Specialty Services shipments) or Inventory Manager directly.

Regards,  
LCBO Traffic Team
