Overview

The Wine Fridge Sold Space program was initiated in 2012 to support the business plan for Wines and grow wine sales.

We are pleased to report that the program is delivering amazing results.

- Period start and end dates for each Turn have been revised:
 - Turn 1: PT3 to PT6 (May 26, 2024 September 14, 2024)
 Turn 2: PT7 to PT11 (September 15, 2024 February 1, 2025)
 Turn 3: PT12 to PT2 (February 2, 2025 May 25, 2025)
- C stores have been added to the program
- The number of paid spots in the fridge has increased.
- A fourth flight of stores has been added to the program. This Flight D along with Flight C is a smaller distribution making it affordable to new and smaller brands

Program Highlights & Implementation:

Stores participating in this program have been divided into (4) groups based on sales and available wine fridge fixtures. The selection will change 3 times in the year. Participating products that have paid for the program must be showcased in the fridge with premium shelf positioning. Please refer to your appropriate planogram for product placement.

Participating products that are on the SAVE (formerly LTO) or Aeroplan programs must also have signage in the fridge and 'Available Chilled' signage on shelf in front of the featured brands.

Participating SKUs not currently listed in a store's assortment will be PROMO FORCED for the duration of the Turn. These SKUs will be automatically removed at the end of the turn. The One-in/One-out rule does not apply for these products.

If a store elects to place these SKUs into listed status before, during, or after a promotion, then the One-in/One-out rule will apply in order to maintain sku target.

Wine Fridge Planoguide – Implementation

The assortment of paid products will change 3 times a year. The Wine Fridge planoguides (included in this communication) indicate the premium shelf positions that must be used for paid products only.

We recommend that products are positioned as they are listed; by varietal/wine category to make it easier for your customers to shop. Each paid product should accommodate a minimum of 1 case with 3 facings. Please ensure all products have good shelf clearance. Use next best shelf if required.

If your store is not participating in the program refer to the applicable 4 ft or 8 ft. wall fridge planoguide.

Discretionary Space

The balance of the wine fridge space can be used at the store's discretion. We recommend you merchandise wines from the following product categories in the discretionary space and group these products together based on product category.

- Champagne
- Sparkling Wines
- Ontario Wines
- Ontario Wines Superstars (White or Rosé)
- Vintages Superstar (White or Rosé)
- Vintages Release Ontario VQA Rosés Wines
- Rosé Wines
- Premium White Wines

D stores are not part of the paid program. However, it is recommended that they merchandise the paid products in the wine fridge as well, as space permits.

Stores that support the Ontario Wines and Vintages Wines Superstar programs are suggested to merchandise their white or rosé Superstar selections in their fridge space.

Vintages stores are suggested to dedicate one discretionary spot to showcase a Vintages release VOA rosé.

Wine Fridge - Sold Space Implementation Guide

- A new bin tag underlay has been created in the new black Operational Signage creative design to replace the "Available Chilled" hot buttons. Merchandise the "Available Chilled" bin tag underlay throughout the store in front of products available in the fridge.
- Full Service FLS and FLS Signage Stores must display the bilingual side of the sign
- Install the promotional offer shelf talkers (LTO, Aeroplan, New Product) in front of the participating products in the fridge as well as their home position if applicable by the start of each promotional turn.
- Your participation is mandatory.

Re-order the signs:

For additional signage, please call Retail Support Team @ 416-365-5932 to place an order.
